

## **OUR GOALS**

### **Our Children**

- \* To encourage your child's voice to be heard and acted upon.
- \* To encourage learning through play and making the curriculum a fun based experience.
- \* To identify and cater for learning needs, interests and aspirations of every child, while following the Early Years Learning Framework Program.
- \* To develop, and support every child to give him a 'Smart Start' for life long learning.
- \* To prioritise the connection between well being and learning.
- \* To provide for the psychological, emotional & social needs of our children.
- \* To provide a physically safe and secure environment where your child can learn, have fun and develop.
- \* To encourage awareness and respect of diverse cultures and special needs of others.
- \* To provide nutritional meals to sustain physical energy and concentration.
- \* It is ultimately about putting our children first and providing opportunities throughout all our activities to reach their potential.

### **Our Families**

- \* To encourage our families to participate and interact in their child's educational program.
  - To create a positive staff-family relationship by inviting our parents to partake in classroom activities.
  - We will provide a website to enable parents to interact, become involved and follow their child's daily program, activities and progress.
  - We value your input and encourage open communication to exchange and introduce new ideas, policies and programs to enhance your child's education and quality care.
  - To provide a service that meets the needs of both our children and families.
  - To act as a link between families and other community services.
  - To respect the cultural, social and special needs background of each child and family.

### **Our Management and Staff Goals**

- \* Maintain positive relations within the team
- \* Encouraging our staff to attend workshops, seminars and conferences.
- \* To keep our staff up to date with the latest requirements & changes in the child care industry.
- \* Encouraging our employees to continue their education in Early Childhood Education.

### **Our Community**

- \* Our aim is to be recognised as the leading educational provider in Early Learning Childhood and Quality Child Care, in our community by giving your child a 'Smart Start'. Our team is dedicated and passionate to deliver excellence.
- \* We aim to network with other community services to enable us to provide useful links to our families.
